

2023/24 HIGH PERFORMANCE SNOWBOARDS

Men's

True/Asym Twin's

Men's Boards

Bataleon

Wallie

Its low camber and 3BT™ tech give you the freedom to carve and float effortlessly, combined with its forgiving flex and park-oriented design. SuperTubes, Carbon Stringers, and unique Wallie Tips™ create a lightweight and tweakable platform that inspires.

23/24 Size(s): 145, 151

22/23 Size(s): 154

Ability: Intermediate-Advanced

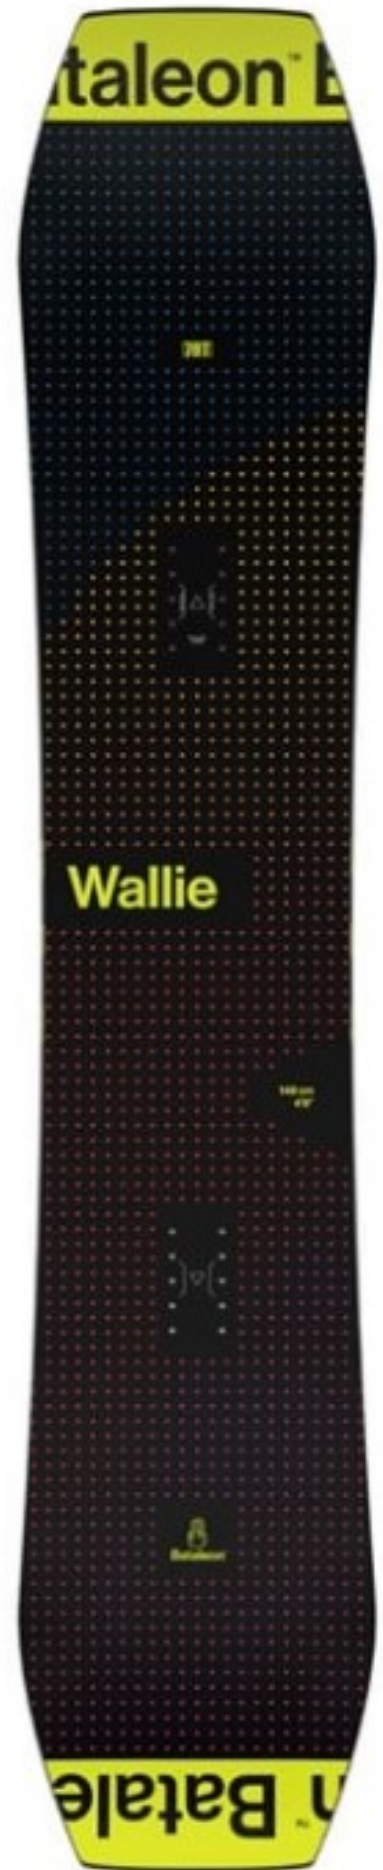

Best In: Freestyle

Profile: 3BT Camber

Shape: True Twin

Core: Wood

Flex: Soft (3/10)

Men's Boards

Never Summer

Easy Rider

The Never Summer Easy Rider is a softer flexing version of Never Summer's Triple Camber Twin. The Triple Camber profile is easy to smear on demand, but locks into a carve like a demon when called upon.

23/24 Size(s): 154, 157

22/23 Size(s):

Ability: Intermediate-Advanced

Best In: Freestyle, All-Mountain

Profile: Triple Camber

Shape: True Twin

Core: Wood, Fibreglass

Flex: Medium (5/10)

Men's Boards

Rome

Artifact

The Rome Artifact Snowboard is a softer free-style ride that balances a forgiving nature with tons of energy. Rome's Stay Positive Camber and Bamboo PopRods give your ollies extra juice and a PowerSlide base means extra durability for long hours on rails.

23/24 Size(s): 153

22/23 Size(s):

Ability: Intermediate-Advanced

Best In: Freestyle, All-Mountain

Profile: Camber

Shape: True Twin

Core: Bamboo, Wood

Flex: Medium (4/10)

Men's Boards

Salomon

Huck Knife

The Salomon Huck Knife's Quad Camber profile and Popster Booster construction guarantees explosive take-offs and smooth landings. Suitable for riders of all ability levels, the Huck Knife rewards expertise but doesn't punish the rider working their way up the learning curve.

23/24 Size(s): 153, 156W

22/23 Size(s):

Ability: Intermediate-Advanced

Best In: Freestyle, All-Mountain

Profile: Rocker/Camber/Rocker

Shape: True Twin

Core: Carbon, Wood

Flex: Medium (3/5)

Men's Boards

Salomon

Huck Knife Pro

The Salomon Huck Knife Pro is a high performance park board designed to meet the free-style needs of flippers and huckers around the mountains. A true twin, the Huck Knife Pro features an aggressive camber profile designed to absorb impacts and keep you steady, both before and after big air.

23/24 Size(s): 156

22/23 Size(s): 158

Ability: Advanced-Expert

Best In: Freestyle, All-Mountain

Profile: Rocker/Camber/Rocker

Shape: True Twin

Core: Carbon, Cork, Wood

Flex: Stiff (5/5)

Men's Boards

Salomon

Sleepwalker

The Salomon Sleepwalker has a true twin shape with tons of pop and a Rock Out Camber profile that pivots easily but still locks into rails like a bulldog, the Sleepwalker is a freestyle tool without equal and works even better if you're awake. A freestyle ripper that will slay the park even in a semi-conscious state.

23/24 Size(s): 153

22/23 Size(s):

Ability: Intermediate-Advanced

Best In: Freestyle

Profile: Rocker/Camber/Rocker

Shape: True Twin

Core: Wood

Flex: Soft (2/5)

Men's Boards

Never Summer Proto Slinger

The Never Summer Proto Slinger uses Shock Wave Rocker Camber and the proven Never Summer Superlight Wood Core and provides excellent soft snow performance as well as a forgiving platform for park progression. Softer flexing and just what the doctor orders for jib-by fun all the way down the line.

23/24 Size(s): 153, 154X

22/23 Size(s):

Ability: Intermediate-Advanced

Best In: All-Mountain, Freestyle

Profile: Camber/Rocker/Camber

Shape: Asym Twin

Core: Carbon, Wood

Flex: Soft (4/10)

Directional Twin's

Men's Boards

Jones

Mind Expander Twin

Expand the way you see and ride the mountain on the Jones Mind Expander Twin Snowboard. A medium flex, tight sidecut, Christenson Surf CAMBER profile and 3D Contour Base 3.0 define this playful freeride board that loves to float.

23/24 Size(s): 150

22/23 Size(s): 154

Ability: Advanced-Expert

Best In: Freeride, Powder

Profile: Rocker/Camber/Rocker

Shape: Directional Twin

Core: Bamboo, Basalt, Flax, Wood

Flex: Medium (6/10)

Men's Boards

Jones

Mountain Twin

The Jones Mountain Twin is a playful ripper for riders ready to take their box of tricks on tour outside the park. Its versatile CamRock profile and mid-stiff flex allow you to crank through your repertoire of spins and butters without sacrificing float or stability, and freeride / free-style pack inserts mean you can switch up your stance as conditions change.

23/24 Size(s): 153W, 157

22/23 Size(s): 154

Ability: Advanced-Expert

Best In: Freestyle, All-Mountain
