Abstract

If regular snowboards feel a little too... literal, the Salomon Abstract is here to paint outside the lines. This freestyle masterpiece is loaded with Popster construction and a Rock Out Camber profile to keep things poppy, pressy, and just the right amount of weird. Whether you're dialing in park tricks or freestyle-ing your way through side hits and tree lines, the Abstract turns the whole mountain into your canvas. Ride it, tweak it, and get a little ab-

Sleepwalker Grom

Don't snooze on the kiddos, the Salomon Sleepwalker Grom Snowboard is a true twin with its sights set on freestyle glory. Popster construction provides the snap, crackle, and pop they need for boosted takeoffs, while classic Rock Out Camber brings a mix of forgiveness and control while they navigate the slopes.

Dancehaul Grom

The Salomon Dancehaul Grom Snowboard packs a surprising amount of tech into a kid-sized ride, giving young shredders the tools to progress with confidence and have a blast doing it. With a wide, tapered directional shape for easy float, Rock Out Camber for pop and control, and a Radial Sidecut for smooth, stable turns, it's built just like the grown-up boards—only smaller and way more fun. It's a playful, high-performance board that inspires
