

IT'S A STRANGE NEW WORLD, BUT WE ARE SO GLAD YOU CHOSE TO JOIN US!

How Globe is keeping you AND our team safe...PLEASE READ

We will be taking the name & contact info from one person in your group. Please make sure it's one we can easily reach you at if we need to.

Please be social, but keep your distance. Follow all our social distancing signage and markers.

All our staff will wear masks if they cannot safely distance 6ft from you. Please bear with them and listen carefully as they may be harder to hear than usual. Rest assured, they'll always be smiling with their eyes.

All tables are limited to a maximum of 6 guests. Please stay at your table with your social group. Children must remain seated at your table.

Please do not move any tables. No Exceptions. It took us a long time to measure everything out!

Two guests only at a time in the washrooms (unless accompanying children). If there are two already in there, please wait your turn.

Please wash your hands and use our sanitizer stations at every opportunity.

We have implemented a "clean team" on shift at all times with a regular cleaning regime, both in the kitchen and in the guest areas. Tables are sanitized between each guest. High contact touch points & washrooms are sanitized frequently and diligently throughout the day.

Our team's health is monitored daily and no one is allowed in the restaurant with any symptoms of illness, no matter how minor.

Our menus are available digitally via QR Code (but we will always have a few re-usable, sanitizable copies for those of you ditching your phones while on vacation!).

Contactless payment options are available at all times and encouraged.

Please no high-fives, handshakes or hugs with strangers while you're in our venue, but thumbs ups, gun fingers and that elbow thing are highly encouraged.

All our policies & procedures are compliant with WorkSafe BC, Interior Health Authority and the BC Restaurant & Food Services Association.

PLEASE respect our staff at all times. They are doing what is asked of them (and more!). We are adapting our business operations for your safety and for theirs. We really appreciate your patience, co-operation and understanding as we navigate our new hospitality world together.

Thank you for trusting us and for allowing us to continue to do what we do!
