"All in all we had an excellent trip! The ski conditions were wonderful, and everyone enjoyed the intimacy and manageable size of both the mountain and the village. We also enjoyed Stonebridge Lodge. We particularly enjoyed the hot tubs at each unit - perfect after a day skiing."

"I will also say that I really did appreciate having a dedicated contact for this large group as there were many details to tie together."

"Thank you again for all the hospitality and all the arrangements you looked after to cater to our group."

"We had a marvellous time – the group was very comfortable and no complaints so far regarding the accommodations. The hill was absolutely killer and we loved every acre of it... tons of fresh pow stashes still remained for those getting after it. It really is a magnificent resort, with turn after turn of fun, even when we had to hike, lol. And that Cantina addition is fabulous – such amazing flavours and perfect portions. Nice and convenient."

"Specifically for me and my daughters, it was a great bonding time and the whole resort really felt family oriented. We are already planning our return."
